CHANGES IN STATE ASSOCIATION LEADERSHIP – QUEENSLAND AND ACT

We say farewell and thank you to **Narendra Nand** as President of ESAQ and **Emiliana Afeaki** as President of ESA ACT. Both have served AFESA well and we look forward to their continued support.

They have taken their respective Associations to new levels. It was pleasure having them as players on the AFESA Council

WELCOME

Irene Bayldon/Tavutavu as new ESAQ President
Javad Mehr as new ACT ESA President

We welcome you both and look forward to your contribution to AFESA and in furthering your respective Associations.

COMMUNITY LANGUAGES SCHOOLS DATA BASE

Community Language Australia has developed a new data base to assist AFESA members to administer their Association. [Fahry Abubaker](#) who developed the system presented it at the recent Executive Officers' Forum. The system is fully operational in Victoria and this week Fahry spent two days in Sydney assisting with its installation and training local staff. ACT has expressed interest in having the program

A very efficient program that will assist in many aspects of administering community languages schools in Australia

NPS FECCA CLA PROGRAM QUALITY USE IN MEDICINES

The program has now been piloted and further discussions have been held with NPC and FECCA on how to move it forward. This is an important topic and can form basis for language discussion around the kitchen table. Further information available soon
