### **MONOPOLY BOARD!**

### **VOTE AUSTRALIA CITIES AND THE LANGUAGE (COUNTRY) YOU ARE LEARNING**

### **International Board Game to be produced in 37 languages**

You may vote online each day from January 22 to February 28.

**Please help to do your online part in raising the Australian city profiles and the language that your school teaches**

Get Students, parents, teachers and Community involved

This is a significant development as this World Edition board game will be sold in over a hundred countries around the world and manufactured in **37 languages**.

**You just have to log onto <http://www.monopoly.com> to cast your vote online.** In fact, you may continue to do so each day until the cut-off of the contest on February 28, 2008.

At the close of the online voting, the twenty cities that receive the most votes will become part of Monopoly history as the first cities selected to be on the World Edition game board.

These cities will appear on the Monopoly board from highest rent property to lowest based upon the total number of votes received.
